Note: Students should be ready for the upcoming Performance Task on January 31, 2022.

Students will receive the details posted in their classwork.

We use natural resources to make things that we use every day. Did you know an eraser is made from a rubber tree? A pencil is made from the wood of a Cedar tree. Water and wind are natural resources too. We use water to drink, cook and clean. We use water to grow plants.

Students are required to:

- 1- Make a poster and divide it into four parts.
- 2-Think of <u>four</u> natural resources. Draw or paste pictures of natural resources and write how people can use them.
- 3- Write and draw something that you can make using natural resources.
- 4- Give an oral presentation of 2 to 3 minutes to present their work.
